THE LATEST TOOL:

How to Build a Large Organization

This is it! Darnell Self has done a stellar job building a large organization! Named the 2004 Entrepreneur of the Year by the National Black Chamber of Commerce, he is obviously doing something right!

"How to Build a Large Organization" walks you step by step through the 13 laws of building a large organization, including how to:

- use 3rd-party verification
- build event to event
- create success teams
- teach to teach
- focus on relationships
- use the system, and more!
